

SPOKANE BUSINESS BUILDERS

BYLAWS

As Amended January, 2010

ARTICLE I

Name

The name of this corporation shall be Spokane Business Builders, Inc. (hereinafter referred to as "SBB")

ARTICLE II

Purpose

Section 1: SBB is a premier networking organization, providing leadership and structure to a diversified group of business professionals, focusing on marketing success, and achieving increased sales through the growth and preservation of professional relationships.

Section 2: A referral is a person or company who has expressed an interest in doing business with a Spokane Business Builders member and is waiting for a business contact.

Section 3: The goal of SBB shall be to expand and build the business contacts of individual members.

Section 4: SBB shall not be used in any way for political purposes. However, a member may use their 30-second commercial for charitable purposes in lieu of promoting their own company.

ARTICLE III Membership Requirements

Section 1: Membership in SBB shall consist of active members only. Active membership of SBB shall consist of persons of good character and community standing, each having one vote.

(a) Active membership of SBB shall be composed of occupations and businesses listed on the official membership category list, available for viewing on the SBB web site. A member may hold only one position within these occupations and the proposed member must be full time in that position. Full time is defined as the member's primary source of income. In certain circumstances, approved and accepted by the board, a member may maintain two (2) business categories for one (1) fee if the member is in a seasonal occupation. Seasonal occupations however, may not overlap another member, seasonal or regular.

(b) Prospective members must possess a current business license, liability insurance, and contractors need to have proper registration for classification of trades performed in the State of Washington.

(c) Prospective members must attend two (2) meetings and submit an application to the membership chair at any time during the two (2) meetings. Additionally, all new member candidates must give a brief presentation of no more than 5 minutes to the present membership before being voted on by the membership.

At the third meeting a written membership vote will be taken. No voting by proxy will be allowed. One member voting "no" will deny the applicant membership. Name and telephone number must appear on all "NO" votes. The only exception to accepting a "No" vote as final, is when the board of directors decides, in a quorum vote, that the "No" vote was for the purpose, in whole or in part, to allow an existing member to control more than one membership category, or for any religious, racial, or sexual bias.

(1) Presentation must include:

- (A) Education/employment background;
- (B) Current business and position;
- (C) What the prospective member hopes to bring to SBB;

- (d) There shall be a non-refundable application fee of \$150.00 due immediately upon membership in SBB.
- (e) Members shall pay quarterly dues of \$150.00, which will be pro-rated for new members based upon the date they were admitted to SBB.
- (f) All new members' places of business shall be inspected by the current SBB Inspector, and membership shall be contingent upon confirmation that the member's establishment complies with appropriate business standards.
- (g) Face-offs: If two (2) or more people apply for the same category within a two (2) week interval then at the third meeting all candidates will give a 5-minute presentation. Ballots will be passed and the person receiving the majority of written votes will have won the face-off. If a majority is not obtained the person receiving the lowest number of votes will be eliminated and then a re-vote will occur until a simple majority is reached. Inspections must be completed and membership dues must be paid in order to be eligible for the face-off.
- (h) Individual memberships are non-transferable and cannot be sold. If a member changes their company or occupation and or company must be approved by a majority vote of the board.
- (i) Occasionally, a slight overlap of occupations will occur and conflicts of interest will become apparent. In case of conflict, the proposed member must write a letter outlining how they will represent themselves in the organization. The board of directors must then approve the letter.
- (j) A member of SBB may only advertise and/or solicit business within the particular category they presently hold within SBB. It shall be a violation to advertise or seek business outside of the particular category represented in SBB, and any such violation shall subject the member to the sanctions contained in these bylaws.

ARTICLE IV Attendance

Section 1: Regular and timely attendance is required.

- (a) Members are served a warning for more than two (2) consecutive unexcused absences, or four (4) absences in a calendar quarter, excused or not. Membership is subject to termination by the board for continued lack of attendance.
- (b) Arriving late to the meeting or leaving early shall also count as excused absences.
- (c) An alternate may represent the member up to six (6) times per year, if that person represents the same company. An alternate may represent the member for no more than two (2) consecutive meetings. The alternate described above cannot hold any office or committee position and has no voting rights.
- (d) Any alternate wanting to replace a member on a full time basis must be voted in for the same position through the regular admissions process.
- (e) The board of directors has the right to extend a "Leave of Absence" to any member who is in compliance with attendance, referral requirements, and current dues obligations. The member shall prepay all dues as applied for the period of leave requested. The member's participation must be reviewed and have an affirmative majority vote by the board of directors (quorum required). The "Leave of Absence" can be up to one calendar month.
